

Diversifying into
on-farm processing
or opening a farm shop?

Don't make expensive mistakes!

The Meat Training Council offers training and
advice for all your needs:

- Development drawings and building plans
- guidance with legislation
- Advice on farm shop/meat preparation room
design and layout
- Food/meat hygiene and HACCP training
delivered on site, one to one or in small groups
- Help and guidance in preparing a HACCP plan
or review of existing plans
- A one day foundation food hygiene workshop
for first level operatives and food handlers
